

1-29-18

The drawing consists of two views: Elevation and Plan.

ELEVATION: This view shows the vertical profile of the footing. It features a sloped front face labeled "FINISHED GRADE FRONT FACE" with a minimum slope of 1'-0" Min. The footing has a total height of 3'-0" and a top width of 4'-8". The bottom width is 6'-0". Reinforcement is shown with #5 bars at 12" intervals. A vertical dimension of 2'-0" is indicated for the upper portion of the footing.

PLAN: This view shows the horizontal layout of the footing. It includes a hatched area representing the footing's footprint. A dimension of 1'-0" is shown for the width of the footing at the base.
